Dear Supervisors:

**47th ANNUAL LOS ANGELES COUNTY HOLIDAY CELEBRATION
(ALL DISTRICTS) (4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the proposed 47th Annual Los Angeles County Holiday Celebration program to be held Sunday, December 24, 2006 from 3:00 p.m. to 9:00 p.m., at the Music Center's Dorothy Chandler Pavilion, and authorize the Executive Director to make changes in programming that may be necessary due to production requirements.
2. Direct the Executive Director to implement all production aspects of the live and televised programs and to sign the necessary agreements with KCET-TV, Greenlight Entertainment, and others as necessary.
3. Direct Five Star Parking to make free parking available to participants and attendees in the Music Center garage all day on December 24th. Lot 17 should also be available to accommodate any overflow. Appropriate signage regarding free parking should be posted at all entrances to the Music Center garage. Free parking is also needed in the Music Center garage for cast and crew during rehearsals from 8:00 a.m. to 6:00 p.m. on December 2nd and 3rd and equipment load-in throughout the week of December 18th through 23rd from 7:00 a.m. to midnight, as

well as during load-out for crew, approximately December 26th through 28th.

4. Request the Music Center to make arrangements with the Music Center caterer to insure that Kendall's Brasserie and the Spotlight Café will be open for business throughout the duration of the program, and that any food/beverage items sold in the Dorothy Chandler Pavilion be appropriate in cost and menu for the anticipated audience.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The first annual holiday program was held on December 24, 1959 and has been an ongoing community tradition for the past 46 years.

At their meeting on September 11, 2006, the Arts Commissioners unanimously approved the proposed roster of participants. The proposed roster is presented to your Board each year in compliance with a motion approved by your Board on July 12, 1983. Approval at this time is necessary to complete the program production.

Performers are selected through a competitive application process. This year there were 105 applications submitted. The proposed program features a record 48 performing groups, 44% of them debut performances, and 40% youth groups. Altogether, this year's program will feature nearly 1,300 performers.

Selection criteria is based upon:

- Artistic excellence within a performance discipline/age category
- Suitability of the performance material to a multi-cultural, multi-denominational holiday themed program
- Suitability of the performance for the 2,600 seat Dorothy Chandler Pavilion and the technical capability of the production
- Ability of performing group representatives to meet all deadlines and to work cooperatively with other organizations and production staff

The live audience for the 46th Annual Holiday Celebration last year totaled 6,649 and the broadcast ratings for KCET reached approximately 585,000 households, or 760,500 viewers.

Highlights from the 2005 production have been edited into a one-hour national broadcast that will air in December on PBS. Last year over 206 stations aired a total of 391 broadcasts, a 72% increase in stations and a 136% increase of numbers of broadcasts. Eight of the top ten markets aired 22 broadcasts, five in prime time.

The 2006 national PBS broadcast has been approved and will be available as a hard feed on December 14 at 10:00 p.m. which means full subscribing member stations are almost certain to carry the broadcast as it is delivered to them as part of their PBS package of programming. As a soft feed, stations can elect to carry the broadcast and determine the time slot in which it airs as it suits their schedules. This soft feed will be made available on November 20th for those stations starting their holiday programming before Thanksgiving. The Holiday Celebration will also be offered by soft feed as a pre-assembled package of several hours of holiday programming for Christmas Day, so it may air in many markets across the country twice.

Implementation of Strategic Plan Goals

The recommended action is consistent with the County Strategic Plan Goal of Service Excellence, as the program will provide the public with free access to a high quality cultural event.

FISCAL IMPACT/FINANCING:

The County's cost to produce this program is \$761,000: \$414,000 is from General Funds, and \$332,000 from the Cable TV Franchise Fund. Additionally, the Music Center contributes \$15,000 to the program and there is no fee for the use of the Dorothy Chandler Pavilion. The American Federation of Television & Radio Artists waives 20% of the professional singers' and dancers' day rate and the International Association of Technical & Stage Employees and Professional Musicians Local 47 waive fees for the KCET broadcast on December 24th.

Funds have been allocated for this purpose by your Board as part of the approved Fiscal Year 2006-2007 budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

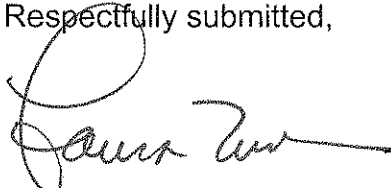

Not applicable.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

With the implementation of the new County Cable Channel, the Arts Commission is negotiating future rights for the local and national versions of the Holiday Celebration that would enable broadcasting via video on demand.
